RE: DIRECTIVES FOR THE IMPLEMENTATION OF THE RESOLUTIONS SIGNED BETWEEN THE SOUTH SUDAN JOINT OPERATION TECHNICAL COMMITTEE AND THE ASSOCIATION OF LONG-DISTANCE TRUCK DRIVERS OF EAC DATED 2ND DECEMBER 2024

The South Sudan Revenue Authority (SSRA) hereby issues the following directives regarding the resolutions signed on the 2nd of December 2024 between the South Sudan Joint Operation Technical Committee and the Association of Long-Distance Truck Drivers of the East African Community (EAC).

1. **Effective Date**: The resolutions will come into full effect immediately upon the issuance of this statement, with the exception of the **$70** Vehicle Registration Control System, which was enacted by Parliament on 21st April 2022.

2. **Cancellation of Visa Fees**: All fees related to immigration for EAC passport holders are hereby eliminated. Furthermore, all fees previously charged to truck drivers by the Criminal Investigation Department (CID), National Security, and Traffic Police along Nimule Road are declared illegal, as they are not stipulated in the new financial act for 2024/2025.

3. **Monitoring and Compliance:** A patrol committee will be established to monitor the enforcement of these directives along Nimule Road. This committee will ensure compliance and address any violations that may arise.

4. **Immediate Implementation**: These directives are to be implemented with immediate effect to maintain operational continuity and to support the Government's objectives regarding border security and trade facilitation. The National Security, Police Force, and Customs Division are requested to ensure strict adherence to this resolution.

5. **Collaboration and Communication:** We encourage all stakeholders, including the Association of Long-Distance Truck Drivers of EAC, to disseminate this information to their members and collaborate with the SSRA to address any challenges during the implementation phase.

We appreciate your cooperation in this matter and encourage open communication regarding any concerns or inquiries.
